600 BRITISH COMMANDOS RUSHED TO BOLSTER DEFENSES IN KUWAIT

US Holiday Deaths Nearing 100 Mark

By United Press International
The nation's motorists were racing today towards an expected toll of 450 traffic fatalities during the long Fourth of July weekend.

A United Press International count at 9 a.m. PDT, 18 hours after the holiday's start at 6 p.m. Friday, showed 66 traffic fatalities.

The holiday accident death breakdown:
Traffic 66, drownings 3, miscellaneous 4, total 73.

A United Press International count at 9 a.m. PDT, 18 hours after the holiday's start at 6 p.m. Friday, showed 66 traffic fatalities.

Sparsely populated Nevada led the death count with 12 auto fatalities—11 of them in a single, smashup between a truck and a family station wagon south of Las Vegas.

There were five traffic deaths in New York state, 4 in both California and South Carolina, 3 each in Indiana, Michigan, Nebraska and North Carolina.

George C. Stewart, executive vice president of the National Safety Council, said the accident in Nevada which took 11 lives is a shocking and tragic reminder of what can happen on our highways.

"We appeal to all citizens to use common sense and courtesy when driving during this holiday weekend," Stewart said. "We are celebrating Independence Day—but independence has no place on our streets and highways."

During a non-holiday period,

the council estimated, a total of 75 traffic deaths would have been reported in the 24 hours between 6 p.m. Sunday and 6 p.m. today. The early holiday death count was running at a much deadlier pace.

An estimated 74 million motorists were expected to brave heat, thunderstorms and danger to take a midsummer trip.

The National Safety Council estimated that 450 persons would die in traffic accidents before the end of the 102-hour long holiday weekend at midnight Tuesday. During a similar non-holiday period at this time of year, 370 persons could be expected to die in traffic accidents.

In the Nevada crash, a pickup truck collided head-on with a station wagon killing three generations of a California family. Nine members of the George Gibson family from Big Creek and San Bernardino, Calif., were killed in the crash on U. S. 91 south of Las Vegas. Police said the truck was on the wrong side of the highway.

In South Carolina, Mrs. Fannie Starnes Mc Manus, 43, Pageland, was run over and killed by a car driven by her husband. Police said she was trying to flag down the car when she was hit.

The National Safety Council hoped the holiday death toll would be well under the 491 persons killed during a similar 102-hour Fourth of July holiday in 1950. That long weekend was the bloodiest on American highways in history.

★ ★ ★

LAS VEGAS, Nev. (UPI) — A pickup truck hurtling down the wrong side of a highway wiped out three generations of a vacationing California family Friday night when it slammed into a station wagon, killing 11 people. The collision on busy U. S. 91 near the small town of Jean, 32 miles south of here, inaugurated Nevada's Fourth of July weekend with its worst traffic disaster in history.

All nine members of the George Gibson family of Big Creek and San Bernardino, Calif., including four children — were killed. So was a Manhattan Beach, Calif. couple in the camper-equipped pickup.

Lone survivor was a cocker spaniel in the pickup. It mate also died.

The Gibsons were en route to Oklahoma City on a vacation. The relatives from Big Creek had stopped at San Bernardino to pick up the rest of the family. They had planned to visit Bryce and Zion Canyons in Utah on their way to their former home state.

"Are you sure they are all dead?" said one of Gibson's neighbors and co-workers at a power plant in Big Creek.

"I just waved goodbye to them when they were getting ready to drive off in their station wagon. They were happy and the kids were all excited," he added.

"And I remember just before they turned the corner, I yelled, 'good luck on your vacation.'"

The mortuary where the bodies were taken identified the dead in the station wagon as:

George Gibson, 35, Big Creek; his wife, Laura, 33; their four children, Tommy, 11, Margie, 10, Marilyn, 8, and Sherill, 7. Also Gibson's parents, Wilbur Gibson, 77, and his wife, Stella, 70; and Gibson's brother, John, 48, all of San Bernardino.

Mickey Cohen Gets 15 Years

LOS ANGELES (UPI) — Meyer Harris Cohen, who claimed "they convicted me because I'm Mickey Cohen," was sentenced to 15 years in federal prison today for income tax evasion.

The dapper former gambler, 47, was sentenced to 15 years in federal prison today for income tax evasion. The charge reflected a baffling breach in the 16-day walkout in which one company group has been aligned with a union group against another union-management combination in a dispute involving federal subsidies and organizing rights on 430 U. S. owned foreign-flag ships.

He was convicted Friday by a seven-man, five-woman jury that deliberated 22½ hours. He could have received a maximum penalty of 32 years in the penitentiary or a \$33,000 fine or both.

'We'll Sue District IF We Have To'

★ ★ ★ BUT SAND-HIT HOMEOWNERS JUST WANT RESTORATION

Homeowners in Rancho Ramon Estates and Outpost Estates are not out to gouge the Coachella Valley County Water District for a big damage suit judgment, they just want blow-sand removed from their property and their gardens restored.

That's the word today from Attorney Charles C. Montgomery Jr., who is representing the property owners and who himself owns a home in the area.

"We will sue the water district

if we have to, and there is no question in my mind but that the court will agree on our claims," Montgomery said. "But they can dig us out and replant our lawns. That's what we want."

Montgomery was talking about his threatened suit against the water district for damages on the hundreds of tons of sand that has buried yards and gardens in the two housing units east of Palm Springs since channel work was done in Whitewater wash last year.

Deri's guest from Encino, June Silva, 11, looks happy about the whole thing. Deri says she'll put the flag out herself Independence Day at the family home at 729 High Road. (Desert Sun Photo)

HOLDUP TRAIL LEADS TO PS

Palm Springs police warned local businesses today to be on the lookout for two or three armed robbers who have apparently been responsible for four hold-ups in the last 48 hours in Barstow, Lenwood, Arlington and Banning in that order.

The young robbers are heavily armed and regarded as highly dangerous. They are believed to be the persons who shot and killed a woman employee of a Barstow loan company Thursday and wounded another woman in an Arlington cafe Friday while getting away with \$2,800.

Their latest robbery took place last night when they held up a Banning grocery store and escaped with \$1,376 in cash and checks.

Police here said they might now be holed up in the area, have passed Palm Springs by, or be heading this way.

All police, highway patrol, and

sheriff's units in the area were alerted and the Indio sheriff's office said extra men had been placed on duty.

Roadblocks placed in the Barstow area Thursday and around Riverside Friday failed to nab them. The gunmen were believed to have an intimate knowledge of roads throughout the area.

One of the men was described as 25-28, blond, about six feet tall, and weighing 175 pounds. Another, according to police, is about 3 feet, 6 inches, 145 pounds, with long bushy hair, and a swarthy complexion.

They were reported driving a

1958-60 Chevrolet, white or cream on top and beige on the bottom. Police said the car was probably stolen.

Police warned local merchants that it was dangerous to attempt resistance on their own should the robbers strike here. The Arlington cafe owner, Mrs. Rose M. Smith, 57, who resisted Friay was struck by one of the gunman several times and sustained severe gashes in the head.

The gunmen then fired several shots wildly around the establishment before grabbing two cash boxes and fleeing. More than 20 patrons were terrorized.

In Banning police said one of the gunmen was carrying a snub-nosed revolver, but no one was hurt in that holdup.

Lamb Named To Head Board

Berton L. Lamb, Cathedral City building contractor, was named president of the Palm Springs Unified School District board of education at 12:05 a.m. today in the annual organizational meeting of the board.

Lamb, who replaced Dr. Bernard Poliak, board president for the past two years, was the board clerk. He was replaced in the past by member Everett Ball. Lamb, Poliak and Ball are the remaining three members of the board who served this past year.

Officially on the board, but absent from the early organizational meeting, were members Harlan M. Hart Jr., local banker, and Mrs. Harpo (Susan) Marx. The pair will be inducted by Lamb at a later meeting.

Mrs. Marx was named as the district's representative to an organization meeting of the county board association. Dr. Poliak, planning a European tour beginning next week, was granted official leave by the state. The action was taken under a state code requiring approval for out-of-country trips of elective officials who will necessarily miss official meetings.

Youths Held

Two 12-year-old boys were taken into custody Friday by local police on charges of petty theft after they were caught in the act of breaking into the home of Howard Bolter, 1083 Paseo El Mirador. Bolter apprehended the youths and then had his wife call police.

ANDERSON FETE

SACRAMENTO (UPI) — Testimonial dinner for Lt. Gov. Glenn M. Anderson will be held in San Francisco July 8. Principal speaker will be U. S. Sen. Clair Engle, D-Calif.

Iraq-Threatened Land Asks UN Council Session

KUWAIT, Persian Gulf (UPI)—Britain landed a 600-man force of tough Royal Marine commandos in Kuwait early today in response to an urgent call for help from the tiny oil-rich sheikdom threatened by invasion from Iraq.

French Rake Algerian Mobs With Gunfire

ALGIERS (UPI)—French troops and police in two Algerian cities opened fire today on screaming mobs of Moslems protesting against President Charles de Gaulle's threat to partition the strife-torn country.

By midday, reports said eight Moslems were killed and nearly 50 others were injured in clashes with French soldiers and police.

Trouble broke out in Algiers, Iran, Blinda and other parts of Algeria when Moslems went on strike in protest against de Gaulle's renewed threat to carve up the country if no agreement is reached with the Tunis-based rebels.

Moslems returned police gunfire in Algiers. In Blida, clashes between Moslems and French troops and police resulted in four Moslems being killed and 25 natives wounded.

Police slapped an immediate curfew on the town to remain in force at least until 4 a.m. Sunday. Hundreds of Moslems began demonstrating in the mixed Moslem-European working class district of Belcourt in Algiers and in the nearby Diar el Mahoul "new town" area.

In the latter district, Moslems beat up a French army officer who tried to seize a rebel flag. Police were forced to open fire and unofficial reports said three Moslems were killed and 24 injured.

Tension ran high in many parts of Algiers, but there were no reports of serious clashes between Europeans and Moslems. Soldiers and riot police massed in the center of the city. Army trucks and other military vehicles were parked along main streets, ready to be formed into mob-stopping barricades.

By late morning the situation in the Belcourt area was reported somewhat quieter but still tense. In the Kouba district of Algiers, a European fired from a building on Moslems demonstrating below. Police rushed into the building and arrested him.

A PROMISE TO SELF IS KEPT

LOS ANGELES (UPI) — Thirty-four years ago a young clothing store clerk from Lincoln, Neb., saw the white and towering Los Angeles city hall for the first time.

"Someday I will be mayor," he proclaimed. "I will be in that city hall."

Today he is!

Samuel W. Yorty, 51, a former Democratic congressman, fulfilled his long-standing wish when he was sworn in Friday as mayor of the nation's third largest city.

Iraqi Premier Abdul Karim Kassem created the situation last Sunday when he declared that Kuwait historically was a part of his country and that he intended to bring it back under Baghdad's control. Iraqi troops were reported massing along the Kuwait border, although Kassem was quoted as saying he intended to bring about his aim by "peaceful means."

A broadcast by Kassem's Baghdad Radio today denied that troops were massing on the Iraq-Kuwait frontier. It accused "imperialists" of "fishing in troubled waters" by distributing such reports.

A Baghdad Radio home service broadcast heard in nearby Beirut, Lebanon, quoted the Iraqi news agency as saying it was "authorized to deny categorically" the presence of troops along the Kuwait border.

Kuwait asked the United Nations Security Council for an urgent session to deal with the current threat to its sovereignty, the United Nations announced. It was not indicated immediately when the session would be called.

Kuwait also asked for help from neighboring Saudi Arabia, which massed troops below Kuwait's southern border and prepared to go to its aid if an attack came from Iraq.

Other British forces were en route aboard a flotilla of warships steaming for Kuwait at forced draft in what appeared to be the Mideast's gravest crisis in three years.

The newly-independent sheikdom supplies 40 per cent of Britain's oil. The Marine commandos were landed from the converted aircraft carrier Bulwark this morning. Other troops were flown into Kuwait airfield, which was closed to civil traffic at mid-morning. Those landed included paratroopers, frogmen and rock climbers.

In London, defense ministry officials said 14 British tanks and a dozen fighter planes also were at Kuwait. Military officials said the bulwark's main role was to act as a spearhead "of a mobile force in a limited war." Observers noted that the British move into Kuwait was the first British military action since British soldiers were rushed to Jordan in 1958 when King Hussein asked for protection against an expected invasion by Iraq. At that time, U.S. Marines from the Sixth Fleet and U.S. Army troops from Germany were sent into Lebanon to preserve order.

Troops Massing

Iraqi Premier Abdul Karim Kassem created the situation last Sunday when he declared that Kuwait historically was a part of his country and that he intended to bring it back under Baghdad's control. Iraqi troops were reported massing along the Kuwait border, although Kassem was quoted as saying he intended to bring about his aim by "peaceful means."

A broadcast by Kassem's Baghdad Radio today denied that troops were massing on the Iraq-Kuwait frontier. It accused "imperialists" of "fishing in troubled waters" by distributing such reports.

A Baghdad Radio home service broadcast heard in nearby Beirut, Lebanon, quoted the Iraqi news agency as saying it was "authorized to deny categorically" the presence of troops along the Kuwait border.

Monday Noon Is Deadline on Ads for Holiday

Monday noon is the deadline for placing classified advertising that is to be published Tuesday, July 4, R. L. Gillmore, classified manager, reminded today.

That deadline also applies for ads that are to run on Wednesday, July 5, because the business office at The Desert Sun will be closed all day on Independence Day, Gillmore said.

All subscribers will receive their newspapers on the Fourth of July and papers will be available in the news stands, but the business and circulation office employees of the newspaper will observe the holiday, Publisher Carl Schoon announced.

LOST — but cared for in the Humane Society of Palm Springs shelter — is this black spade fox terrier, shown by Mrs. John Weston president of the group. The dog was found in the Tamarisk area. Search for the owners has proved futile, but owners may collect their pet by calling at the shelter. Several dozen dogs and cats are available for adoption at the shelter. (Desert Sun Photo)

Bulletin

A little girl was saved from drowning at noon at the residence of Joseph Walker Jr., 1627 Via Roberto Miguel, when firemen rushed their rescuer unit to her aid. The girl, who was not identified, was taken to Desert Hospital.

Union-Big 3 Battle Over 'Inflationary' Demands

DETROIT (U) — The auto industry's new contract negotiations shaped up today as a battle over whether labor's demands would mean higher car prices.

The big three auto companies, General Motors, Ford and Chrysler, all opened negotiations this week with warning against a contract settlement which would start a new wage-price spiral.

The union, for its part, was hotly insistent its new demand for 600,000 auto workers were not inflationary. "We want no wage increases out of the pocket of the American consumer," the UAW said.

Negotiating teams at the big three Friday recessed for the July 4 holiday, they will resume sessions July 6, the same day similar talks start with American Motors Corp.

Before adjourning the UAW got off the hottest language so far—turning up a propaganda machine to brainwash the American people.

Ken Bannon, director of the UAW's Ford department, said the union is "sick and tired" of Ford's "hypocritical charges" about inflation.

"There is absolutely nothing inflationary about the proposals we intend putting before the Ford Motor Co.," Bannon said.

"Once again Ford has tuned up the propaganda machine which it plays in every bargaining year. It is attempting to brainwash the American people into believing that security, progress and justice for workers will cause inflation."

In answer, Ford Vice President Malcolm L. Denise observed dryly: "I am sure that everyone will be surprised to hear that we have forced the UAW into a propaganda campaign."

At Chrysler, negotiations opened Friday with several proposals by the auto firm already on the table. The UAW said Chrysler in recent days had asked for contract changes dealing with union representation, grievance procedure and unemployment benefits.

Scout Locates Crazy Fireworks

INDIO — Boy Scout Henry Hall, Bliss and Rubidoux Streets here, was prepared, so he called the Sheriff's Department.

The boy found 15 sticks of dynamite in an abandoned truck on Highway 74 near Nightengale.

Officers impounded the overlooked explosives.

The husky high school freshman, his mother's father, Russell Bradford, and Alving Wesley Hartman left Newport Beach, Calif., Tuesday on what was to be a

month-long fishing trip for albacore off southern California and Mexico.

After his emotion-packed reunion with his mother Terry related his ordeal.

"It was kind of like a storm," he said, "and the sea anchor pulled away part of the boat leaving a big hole. It turned over."

The party's 36-foot cabin cruiser, the Tim-C, wallowed heavily

in one of the lightning storms which periodically hit Southern California in the summer. It was 90 miles off shore.

"Granddad yelled, 'Get out the life raft,'" Wayne continued. He said the balsa craft overturned twice after it was shoved into the ocean, but he, his 49-year-old grandfather and Hartman, of Santa Ana, Calif., righted it and pushed off as the cabin cruiser sank.

On Thursday "Al started going out of his head," Wayne recounted. "He fell into the water and the life raft turned over again. We pulled him back and granddad gave him mouth-to-mouth respiration."

But Hartman died.

"Then granddad went out of his head," the Huntington Beach, Calif., boy said. "I dozed off, but I awoke when I heard granddad calling."

"He was 20 yards away in the water. I pulled him back in the raft. I kept saying, 'Don't die, granddad, don't leave me.'"

But his grandfather also died.

On Thursday "Al started going out of his head," Wayne recounted. "He fell into the water and the life raft turned over again. We pulled him back and granddad gave him mouth-to-mouth respiration."

Boy Recounts Raft Ordeal

SAN DIEGO, Calif. (U) — Terry Wayne McClelland, 14, who watched helplessly as his grandfather and another adult died during a three-day ordeal on a raft in the Pacific, was recovering today after his rescue by a Navy submarine.

The husky high school freshman, his mother's father, Russell Bradford, and Alving Wesley Hartman left Newport Beach, Calif., Tuesday on what was to be a

month-long fishing trip for albacore off southern California and Mexico.

After his emotion-packed reunion with his mother Terry related his ordeal.

MAC RETURNS

NEW YORK (U) — A legend returns to the Philippines today. General of the Army Douglas A. MacArthur embarks on perhaps his final visit to the island republic he liberated in World War II's most dramatic challenge.

The 81-year-old soldier who vowed "I shall return" when driven from historic Corregidor in March 1942 by swarming Japanese troops returns once again to the land where he is the best known and most beloved of living Americans.

The capital city of Manila is preparing a hero's welcome for the man who fulfilled his vow and scoured the islands of their oppressors just three years later. He departs New York by U. S. Air Force jet today and is expected in Manila on Monday.

Los Angeles (U) — Officials of Aerojet-General announced the formation of a new subsidiary for design and development of complete missile and space systems. The subsidiary is called Space-General Corp.

DROUGHT, 'HOPPERS' PLAGUE PLAINS AREA

Drought and grasshoppers had farmers in the Northern Great Plains figuring today how to salvage what they could. Both were the worst in a quarter of a century.

Grain fields were so short and thin from lack of moisture that many farmers believe it was a waste of money to spend \$250 a section to spray for grasshoppers.

Farmers who kept cattle as a reserve in the event of crop failure

boys who attended already had been treated for the serious effects of the vapor.

State officials said the economies of their states would not be badly hurt.

As news of the drought spread, grain prices climbed rapidly at Chicago, Minneapolis, and Kansas City — contrary to the usual price trend at this time of year. Early cattle marketing generally pushed cattle prices down.

Affected was the nation's prime source of hard spring wheat, durum and flaxseed. The drought was the worst since the 1930s in Northern Minnesota, the Dakotas, Montana, Wyoming and parts of Colorado. It extended north into the Canadian grain country.

Plains states to the south, which got heavy winter snows and flooding spring rains, were growing normal crops.

Spring rains revived the northern prairie at seeding time. But the land had lain bare during the winter and in some areas it had been dry for three, four and five years.

A virtually rainless June put an end to hopes for even a fair harvest.

Chandler died June 17 after four operations.

Resort Reports

Returning home . . . for the Fourth of July are Mr. and Mrs. Guy DeShong and their two girls, Gail and Aleda, of Palm Desert. They have been visiting at the home of Mrs. DeShong's parents, Mr. and Mrs. David Bohannon Sr., in Woodside, Calif.

Some authentic . . . decorations for their popular Palm Canyon Drive restaurant, Las Casuelas, will be sought in Mexico by Mary and Del Delgado. They have closed for the summer and are heading for Mexico City.

Visiting in . . . Palm Springs after a five-year absence is Mrs. Ann Milbacher of Aurora, Ill. Ann will be remembered as Ann Gerhart, daughter of Mrs. Maxine Gerhart, 1500 Via Entrada, by those with whom she was active while attending Palm Springs High School.

There are those . . . who think a Mickey Finn is something that bad people put into drinks to make them be taken suddenly by sleep, but others hereabouts associate the name with a handsome hulk of man they used to see at Ranch Club brunches. Well, at the risk of sounding crassly commercial, this is to inform that Mickey may be seen in "One - Eyed Jacks" at the Sunair Drive-In.

The man himself is supposed to be in Southern Utah making a Western film. At the risk of complete confusion, we'll add that Southern Utah's north of here.

Spending a few . . . days in her Palm Desert home this week was Mrs. Thelma Thompson. She reports that her mother, Mrs. Harriett Homer, with whom she has been sharing an apartment in North Hollywood, is much improved.

Theater Man . . . Brown Succumbs

LOS ANGELES (UPI)—Brownie Brown, producing director of the Pasadena Playhouse and best known for his direction of such plays as "Of Thee I Sing" and "Our Town" died Thursday after undergoing heart surgery at St. Vincent's Hospital. He was 49.

Chandler Death Probe Goes On

CULVER CITY (U) — State Hospital Bureau officials today continued their investigation at Culver City Hospital into the death of actor Jeff Chandler.

Bureau supervisor Wallace R. Cameron said the check which began Friday would take several days, because it covers all phases of the hospital's workings.

Market Stays Sick

By DAVID DEITCH
United Press International
NEW YORK (UPI) — For Wall Street observers this week the stock market was in a deepening rut where even the normally volatile analysts had almost nothing left to say.

Prices floated downward on a cushion of lethargy as activity sagged to seven-month lows and no amount of news—good or bad—could snap the market out of its slumber.

Summer was here in earnest, the ticker tape said, recording the yawns of traders and investors tired of listening to constantly rehearsed talk of "bullies" that didn't come, "resistance levels" and some on the street headed

early toward their favorite swimming hole.

On the economic front, business activity wasn't bad — just not good enough to convince the weather-smitten investor who looked for a reason to explain the deadening state of affairs.

They know that steel production skidded for the fourth consecutive week but that new factory orders in May rose 2 per cent for the largest order inflow for any month in about two years.

Factory sales also tacked on a 2 per cent hike.

But all this, apparently, was discounted months in advance. What was not anticipated was the uncomfortable spotlight thrown by congressional probes on a stock market now becalmed in the wake of a king-sized speculative spree just a couple of months ago.

Keith Funston, president of the New York Stock Exchange, defended the "big board's" position.

licensing practices and said that a proposed wider investigation of the securities markets shouldn't include the market place at Broad and Wall.

All of this gave a further excuse for those investors who decided to sit tight and play it safe.

The Dow Jones industrial average this week dropped 4.70 points to 683.96, lost 12.76 for the month of June and was a hefty 68.07 higher than at the end of 1960.

Volume Slips Too

The rail average for the week fell 0.43 to 139.47, dropped 5.44 this month but was still 8.62 higher for the half year. Utilities held to a minor 0.07 loss this week to 111.74, down 1.03 for the month and up 11.72 so far this year.

Volume on the New York Stock Exchange these five days skidded to only 13,554,219 shares from 16,076,560 a week earlier and compared with 14,820,464 a year ago.

For the month of June, stock sales were the lowest for any month since last November. Turnover, depressed also by frequent warnings to hold down the speculation, plunged to 73,121,323 shares from 96,950,136 in May and 76,332,865 in June 1960.

Indictment Handed 'Big 4' Moving Firms

WASHINGTON (UPI) — The nation's "big four" moving firms were indicted today on charges of fixing rates on shipments of household goods moved both for the public and the federal government.

A federal grand jury here accused the four firms, several of their officials and a trade association with conspiring to maintain artificially high prices. It said this violated the Sherman Antitrust Act.

Atty. Gen. Robert F. Kennedy announced the indictment. Named as defendants were:

North America Van Lines, Inc., Fort Wayne, Ind.; Aero Mayflower Transit Company, Inc., Indianapolis, Ind.; Allied Van Lines, Inc., Broadview, Ill.; United Van Lines, Inc., St. Louis.

Also named was the Household Goods Carriers' Bureau of Washington, D.C., a nonprofit trade association.

The government said the four big movers have a combined annual gross operating revenue of \$150 million—about half the business done by the nation's 140 largest household goods shippers.

The government accused for more than \$75 million of this annual total through its shipments of household goods for military personnel.

Mahew Studies Desert Beings

RIVERSIDE — Dr. Wilbur W. Mahew, assistant professor of zoology at UCR, has received a \$30,000 grant from the National Science Foundation to support research on the "climatic stress effects on desert vertebrates," University announced today.

One of Mahew's three main collecting sites for the vertebrates he will study will be located near Palm Springs.

The grant covers a three-year program in research in which Mahew will strive to determine if there is a positive correlation between variations apparent in breeding cycles of lizards and rainfall patterns in their desert habitat.

'11th' Most Wanted Fugitive Apprehended

SANTA MARIA, Calif. (UPI) — Richard L. Marquette, 26, alleged butcher-murderer placed on the FBI's most wanted list only Thursday, was arrested Friday after two salesmen recognized his picture at a credit bureau.

The FBI had expanded its most wanted list from 10 to 11 in an unprecedented attempt to apprehend Marquette, after the dismembered remains of a young mother were found in his Portland, Ore., home.

Harvey Allen and Clark Powell said they recognized a picture of the suspect posted Thursday in a credit bureau.

The fugitive was picked up by FBI agents today when he applied for work at the Church Salvage Store on the airport grounds. He made no attempt to escape and carried only a knife in his pocket.

A federal warrant was issued June 16 at Portland, charging Marquette with unlawful flight to avoid prosecution for murder.

Mrs. Jo Ann Caudle, 24, mother of two, was reported missing from her Portland home June 5.

Three days later parts of her body were found wrapped in newspaper in the backyard of Marquette's southeast Portland home. On June 14 other remains were found in a duffel bag in the refrigerator of his home. The victim's head still is missing.

Bill for Ride Comes to \$25

WASHINGTON (UPI) — Charles Gabbert, 25, was at a zoo when a friend bet him a dollar he couldn't ride a horse. Indignant, he hopped over an eight-foot fence, landed on a police detachment's prize palomino and trotted around until he was caught and charged with disorderly conduct.

"I just sat on the horse," Gabbert explained. "It comes natural."

The judge, just as "natural" fined him \$25.

County Studies Sharing Animal Cost on Monday

The County Board of Supervisors is expected to approve a recommendation by the county administrative office that it execute an agreement with the Humane Society of Palm Springs concerning the impounding of dogs when it meets Monday in Riverside.

Mrs. Lillian Westin, Humane Society president, told The Desert Sun that the shelter has cared "for any dogs they brought us," but the county has not aided in the support of the facility, during its 17 months of operation. The new agreement would provide 50 cents per day aid to the shelter for care of dogs brought in by the county humane officer.

The Board is also expected to okay the request of the judge of the Indio Justice Court for an allowance of \$600 for seasonal help. A resolution and order annexing non-contiguous territory to the Indio Sanitary District will be acted upon by the supervisors. They will hear a letter from the Coast Guard Auxiliary relating to the purchase of a boat for patrol and rescue work on the Salton Sea.

On road matters the board will act on a recommendation to abandon public utility easements in the Palm Springs Country Club Estates.

A number of planning matters will also be considered. Among these will be a recommendation on the application of the Hale Co. to change property zoning in the Cathedral City - Palm Desert district and a decision on the application of the Panorama Mutual Water Co. for a public use permit to drill a well in the same area.

The appeal of the Trailer Ranch Corp. from a decision denying them a variance for a trailer park in the Cathedral City - Palm Desert district will also be heard.

2ND SUB-ORBITAL FLIGHT SET

WASHINGTON (UPI) — The National Aeronautics and Space Administration said it tentatively plans to launch another astronaut on a downrange suborbital flight from Cape Canaveral the week of July 16.

This will be the second in the series started May 5 with Alan Shepard's successful ride leading up to an orbital flight later this year or early next year.

The name of the astronaut for the next Project Mercury ride has not yet been released. It is expected to be Marine Col. John Glenn, Shepard's "back-up" on the May 5 flight.

Mints, Cereal, Potato Packaging Studied

WASHINGTON (UPI) — A Senate subcommittee investigating deceptive packaging was served up chocolate covered minis, shredded wheat and instant mashed potatoes Friday.

Packages of the three items were passed around at the public hearing while a witness explained how some were deceptive while others were merely competitive.

The witness, Thomas P. Wharton, president of a Washington, D. C., packaging consultant firm, acknowledged that a "few basic regulations" to correct misleading packaging might be needed.

"But above all," he told the Senate group, "we must differentiate between legitimate efforts of the marketing people to motivate the shopper to pick up their product rather than their competitors' product and the sinister, subtle obviously calculated misrepresentation which is intended to cheat and defraud."

Another witness who represented the National Consumers League said she gets "bothered" and "mad" every time she goes shopping because of deceptive packaging and labels.

Development Plans Reported

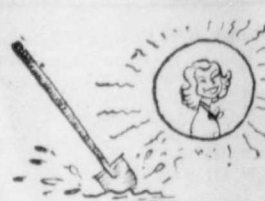

SANTA BARBARA (UPI) — Development of a 4,100-acre site in nearby Goleta Valley into a huge residential area and industrial park was announced today by the Del E. Webb Corp. of Los Angeles and Chicago Industrialist Henry Crown.

Del E. Webb, president of the nationwide construction firm, said his firm has acquired a financial interest in the multimillion-dollar land holdings.

The acreage, made up of the historic Bishop Ranch lands, extends from a one-mile frontage on the Pacific Ocean to the Santa Ynez mountains.

Development of a 4,100-acre site in nearby Goleta Valley into a huge residential area and industrial park was announced today by the Del E. Webb Corp. of Los Angeles and Chicago Industrialist Henry Crown.

Service With A Smile
In Jan King Style!

PRESIDENT BILL SMITH OF COACHELLA VALLEY SAVINGS & LOAN ASSOC. says there is no better time to start than SAVINGS ACCOUNT than right now! Billy Wright, 1975 Jacque Rd., is 12 years old this week & COACHELLA will open a SAVINGS ACCOUNT for him as a Birthday present if he will c. Asst. V-P John Wiley, 383 S. Palm Canyon Dr.

"RETURN WHERE YOUR BEGINNINGS ARE" & you'll do this with safety & confidence after you have consulted AIRLANSEA (world-wide-travel-service in Palm Desert) — made your decision & mounted the MAGIC CARPET to vacation-far-away-lands your wild imagination never led u to believe possible! Why not phone Faye Kennebeck FI 6-6966 today? All u have to do is go...

Hizzoner — Palm Springs' (very own) "Honorary Mayor" Bob Hope once made these comments during one of our Xmas shows in Alaska (editor's note: this should cool us off for a while at least mentally!)

"...the weather's been fine; the other day the temperature shot up to 30 below" ... "I love the weather here. It started to snow as we landed & by the time the plane taxied in we didn't need the steps, we slid off the plane" ... "I won't say it's cold up here, but when I got off the plane I shook hands with General Armstrong; he's still got it" ... "it's silly, no matter where I go I keep bumping into my weather" ...

"the fellows here are very weather conscious. They're always watching the thermometer. It's the only thing up here with a figure!"

IT'S GREAT TO TAKE CHANCES but not when it concerns the decorating & furnishing of your home! For over a century W & J SLOANES has been decorating America's homes & Palm Springs is no exception. Mrs. Nicolai Alexander ("Madelon") Von Kaesborg has experienced decorator Bob Hurd of SLOANES doing hers this summer ... Bob tells me the dramatic - imported - chintz - for upholstery & library draperies is out of this world, as is the glittering wallpaper. They are also refinishing Mrs. Von Kaesborg's beautiful French furniture. Doesn't this tempt you to call SLOANES (324-9188) this very minute??

"Because of hunger is our work well done" (Sehnsucht)... but IBID IV 4 tells us "Man Shall Not Live By Bread Alone," so there must be health & that spells BEAUTY at the fabulous GOLDEN DOOR at Escondido ... SH 5-6821 where their trained staff under the direction of Dr. Anne-Marie Bennisstrom have only this thought in mind: !!!

CAN U IDENTIFY THIS PERSON??? is presented by COACHELLA VALLEY SAVINGS & LOAN ASSOC. ... her name is Anne. She came to live here from New England bro't the culture & sedateness so well portrayed by her kind. Her beauty can't be matched nor her taste in clothes. Her home & husband "Tony" are most important in her life & her hobby is furthering the protection of helpless creatures thru organized efforts of a group ... (Cans. in "Recession" elsewhere in this paper!) COACHELLA'S phone no. is 324-1241, located at 383 S. Palm Canyon Dr.

"Recession" is Bob Hope's basket hound, (known for diggin') so is mascot for Jan King's "Desert Diggin's" ...

"Recession" says watch the COMMUNITY CHEST THERMOMETER, contribute your money regardless of how small or large the amt. & make the thermometer go higher & reach their goal. \$98,000. Vice-Pres. & untiring worker Lester Selig wrote this week & says "WE NEED HELP" so do your part today, don't put it off. Adv.

BUDGET OUT OF BALANCE? ...here's sure way to solve your problem!

Budgets-out-of-balance probably cause more family arguments than almost anything else! Usually the trouble is that the amount budgeted for SAVINGS has a way of simply disappearing into the thin air. The argument then is about how or why this happened and who was responsible! The solution is as simple as this: If you would make it a practice to DEPOSIT your budgeted savings FIRST thing every payday, they couldn't disappear, and there'd be nothing to argue about. In the interests of family harmony and a growing bank account, always do your saving BEFORE you do your spending ... starting very next payday!

Joan Davis' Husband Loses Court Move

LOS ANGELES (UPI)—Writer St. Wills, former husband of Joan Davis, today lost an appeal to have the late comedienne's 27-year-old daughter removed as special administrator of Miss Davis' \$1 million estate.

Superior Judge Newcomb Condee ruled in denying the petition that Mrs. Beverly Wills Colbert was not negligent in stating that no will existed.

Wills, 57, had contended Mrs. Colbert, an actress, committed fraud on the court by not inquiring about a 29-year-old will leaving the estate to her ex-husband. Mrs. Colbert claimed the 1941

will has no force since Miss Davis and Wills were divorced in 1946. Her attorney on Wednesday presented a new will, dated August, 1956, scrawled in pencil on the back of a letter. The document directed her estate be left to her mother, father, daughter and grandson.

Judge Condee directed Mrs. Colbert's attorney to file a new will contest within 25 days in which they must state more specific and detailed objections to the 1941 document submitted by Wills.

Mrs. Colbert also was granted general powers as special administrator of the estate.

will has no force since Miss Davis and Wills were divorced in 1946. Her attorney on Wednesday presented a new will, dated August, 1956, scrawled in pencil on the back of a letter. The document directed her estate be left to her mother, father, daughter and grandson.

THE BUDDY FLIGHT of 80 USAF recruits from San Bernardino and Riverside Counties included one young man from Palm Springs, George Eilam, shown here with his mother and stepfather Mr. and Mrs. Jules Posner of 115 Twin Palms. A member of the June graduating class from Palm Springs High School, he is at Lackland Air Force Base in San Antonio, Texas for his basic training.

To Spend July in Rancho Mirage

The Marvin Garfields of Hollywood, who have just returned from a two weeks trip through Mexico, will spend the month of July in their Rancho Mirage home. Their sons, Bruce and Andrew, will be vacationing with them.

Back to Spokane

Louis and Florence Wassmer, who have been staying at the Ocotillo Lodge, have left to spend two weeks in their Spokane, Washington home, after which they will return to the Ocotillo. Wassmer, who recently sold his interests in radio station KCMJ, was a former Sahara Park winter resident.

Shayler-Lloyd Marriage Takes Place up North

Given in marriage by her father, Diana Mary Lloyd exchanged vows with Donald H. Shayler, during a double ring ceremony at St. Clement's Episcopal Chapel in Berkeley.

On a white Bible, the bride carried a white orchid and lilies of the valley and wore a pale green silk linen suit, with matching pill-box hat.

A corsage of gardenias complemented the pale blue dress worn by maid-of-honor Miss Ellen Dahl, of Chino. Best man to the groom was Michael Crowley of Los Angeles.

Candelabra holding white tapers and white gladioli were set around the traditional wedding cake, when the newlyweds were honored at a champagne reception held in the Lanai Room of the Claremont Hotel's executive suite, following ceremonies.

The daughter of Mrs. Charles Hough of Rancho Mirage and Mr. Aleth Lloyd of British Columbia,

the bride attended schools in British Columbia and is now a senior student at the University of California at Berkeley.

Also a senior student at Berkeley, the groom is the son of Mr. and Mrs. Stanley V. Shayler of Palm Springs, and previously attended the University of California at Riverside (as did the bride) and the University of British Columbia.

The newlyweds are at home at 1224 Delaware Ave., in Berkeley. Among guests at the wedding and reception were the parents of the bride; her brother, David Lloyd of British Columbia; parents of the groom; his sister, Bonnie-Lynn; Mrs. H. W. Shayler of British Columbia, grandmother to the bride; and Mr. and Mrs. Mike Crowley and Mike Neit of Los Angeles.

Soroptimists Surprise President

"Thank you" was inscribed on a cake which had been beautifully decorated in Soroptimist colors of gold and blue, when Soroptimists met at the Biltmore. A gift from retiring president Gurli Gilbert, the cake served to show her appreciation for a job well done during the past year.

Gurli was in turn surprised, when she was honored with a kitchen and bathroom shower arranged by Lucille Johnson and Madge Holderman. The Gilbert family will live in the village, apartment-style. Among the gifts, received from 17 members, was a large basket of fruit decorated with useful and unique kitchen gadgets.

Each of the past season's officers received a gift from the outgoing president, whose thank you surprise was topped by the surprise she received from her membership.

Around Town

... with Hildy Crawford

Having used up that June and moon routine... we come to July and goodbye... Some of you are reading this in Chicago and some in Portland... in Salt Lake City and in Denver...

in Wenatchee and in Dallas... in Corona Del Mar and Avalon... and some are packing to go... and some are back in the Village already... and some just think Palm Springs can't be improved upon and linger on... and some will be right here working all summer long... Anyway... before I take off on my two month vacation... let's take a last look around... knowing good and well we can anticipate a lot of changes between now and September...

I knew that fun-making sister team of Hortense Murray and Prudence Coleman would love the Chi Chi's Gilded Cage... and they just had more fun than anyone when they dropped in there for dinner the other evening... Jeanne Keller tells me they gave her a parody of "Glow, Little Glow Worm"... that tops anything in her own repertoire...

Incidentally... Jeanne needs some help... if she is to maintain her reputation for wearing a different hat every night... Rally around... and let's make Jeanne the best-hatted gal in Palm Springs...

It's a good average... if you get one answer out of five phone calls these days... as so many Villagers are either away on vacations... or floating around their pools... so it was nice when Louise Steinberg answered her phone...

The Steinbergs are still here and will be until the grapes are all harvested from their vineyards in the Thermal area... Son Billy is off today to Douglas Camp in the Carmel Valley... but it will probably be nearer the end of the month before Lionel and Louise and their two daughters Barbara and Mary choose their Via Vadera home and move in to The Colony at Malibu for the rest of the summer...

Wednesday night... Barbara and Zeppo Marx had a fish fry out at their Tamarisk Country Club home... cooking up all those fish he's been catching at the Salton Sea... and hoarding in the deep freeze for just such an occasion...

It was a casual gathering with shorts preferred... After the group enjoyed the fish and fried potatoes and salads and baked Alaska... there were hilarious guessing games... like pinning a name on some one's back and making the victim guess who he is...

Guests included the Bob Alexanders, Gladys Stryker, Florence Horn... Marge and Jack Lambert, the Bud Morrisises, Norman Habers, Joyce Linnick... and

where they will continue work on La Reina paintings and murals...

Those of us who are mourning the tragic loss of the beautiful and gracious Juana Warner... are happy to know that her dream project La Reina will go ahead... a tribute to her memory... Frank Bogert has assured me that they think La Reina will open this fall pretty close to the scheduled opening date of November...

And so... wishing you one and all a happy summer time... I'm off for Lido Isle... and maybe Hawaii (Matson Liners and Hildy are praying every night)... Keep the postcards coming in... and I'll see you in September in Palm Springs...

It was sheer luck... when I caught Mary and Harold Hicks as they were about to lock the door and move out of the Camino Del Norte home which he has occupied for 25 years... When they return to Palm Springs they will be occupying one of Tony Martin's houses in the Vista Las Palmas Estates... until they get around to building...

They were just about ready to go up to Idyllwild that night... and will spend July in that mountain resort... Hall continues his studies with New York artist Harry Sternberg at ISOMOTA... and Mary catches up on her reading and works on the altar cloth she is embroidering for St. Pauls... Hal's daughter Gayle will join them in Idyllwild for the weekend of the Fourth... and will go down to Laguna... before returning to San Francisco...

The first of August... Mary and Hal will jet to Mexico City... They will visit Cuernavaca, Taxco, Acapulco... and Hal may enroll for more studies at the San Miguel art school... Expect them back in Palm Springs around September 5th... but not to stay... just long enough for a change of wardrobe before they take off for British Columbia... where they will visit Mary's mother and sister...

Lunching together the other noon... were Vie and Bud Graves and Helen and Jack Kenaston (after she got out of Golden Door they went to Shelter Island to celebrate their anniversary)...

The Kenastons, the Barney Hinkles and Lou Manseaus are mooring to Flagstaff where they will spend the Fourth with the L. L. Oakes... arriving in time to see the Hopi Indian dance... Helen and Jack will be here until July 24... when Revel runs again in the Lakes and Flowers stake at Holly Park... and they aren't sure yet what they will do after that...

Bud and Vie... in their new refrigerated station wagon... will be going to LaJolla...

A DUAL CELEBRATION of a birthday and the imminent start of construction of the new Blackstone Hotel, inspired a dinner party at the Howard Manor. In addition to Mr. and Mrs. Morris Blackstone, who are pictured, the group included Sam De Sarno, who is also interested in the new hotel; Morrie Geyer, who was celebrating a birthday; the Blackstones nephew Jeff Ross, Marvin Blenheim, Mrs. Tillie Ross, Mrs. Geyer, Mrs. Joyce and Roger De Sarno. (Photo by Lili Anne)

Dinner Fetes Anniversaries

It was a double celebration Wednesday night, when Mr. and Mrs. Charles Ryan had dinner at Laurie's Steak Ranch with their friends Mr. and Mrs. Don Holderman of Hollywood.

The Ryans were celebrating their 10th anniversary and the Holdermans, their 31st.

Pre-Nuptial Parties Honor Barbara Twist, Roger Williams

Barbara Twist and Roger Williams, who will be wed this evening at St. Paul's Episcopal Church, were honored at a trio of pre-nuptial parties.

In their Palm Desert home, Dr. William Doust and Karl Glou hosted a cocktail party honoring the young couple. Hot and cold hors d'oeuvres were served, and the betrothed pair received a set of stainless steel serving plates and steel and ebony candlesticks, from their hosts.

Present to honor the pair were Dr. and Mrs. Dwight Twist, parents of the bride - to - be; and Mr. and Mrs. Roger Williams, parents of the prospective bridegroom. Also, Messrs. and Mmes. Stewart Williams, Ed Canby, Eugene Prieto, Thurman Arnold, and Arthur Coffey and Mr. Hugh Zimmer.

The refreshment table was centered with tiny bride and groom figurines and decorated with silver bells, when the Arthur Coffeys hosted a dinner and swimming party in their Calle Ralph home. It offered a main course of barbecued spareribs with pineapple sherbet in creme de menthe as dessert.

Present were the Coffeys' daughters, Nancy and Shelby; Mr. and Mrs. Roger Williams; Mr. and Mrs. Dwight Twist and son, Russell; Mr. and Mrs. Stewart Williams and children, Mariann, Jeff-

About 27 cents out of every consumer dollar goes for housing. Food accounts for 22 cents; travel, 12 cents; clothing, 10 cents; and health and recreation, six cents each.

Newlyweds at D.H.S. Home

At home at 68-280 Calle Calmoro, Desert Hot Springs following their Las Vegas marriage, are Mr. and Mrs. Robert Vincent Lee.

For the quiet ceremony at the Las Vegas Courthouse, the bride (the former Mrs. Sylvia Markinson) wore an alicia blue silk persey afternoon dress.

The groom is from Long Beach, and is a television and radio technician.

Television in Review...

By FRED DANZIG
NEW YORK (UPI) — Secretary of State Dean Rusk normally avoids TV studios so Thursday night the TV studio came to him. In order to launch his newest interview show, "At The Source," CBS-TV sent a couple of cameras, crews and three reporters to Rusk's office. Was the show, a sort of "meet the press" with upholstery, worth the fuss? From a news standpoint, no. From the standpoint of giving the public an insight into one man who figures in vital decisions, a partial yes.

Paul Niven, Howard K. Smith and Bill Downs of CBS news brought up current questions

about Berlin, nuclear testing, disarmament, etc. Rusk, of course, wouldn't and couldn't be drawn into making diplomatic boo-boos and easily parried all questions fresh-sounding, literate platitudes.

Format Jazzed
Rusk even sidestepped a question about whether anything funny ever happened to him on the way to a crisis. With that question, coming as it did so early in the show, I wondered if CBS wasn't deliberately trying to grab a few extra viewers by jazzing up the format with some gags. Rusk replied that yes, funny things do happen occasionally and dropped the subject.

The TV cameras stayed on Rusk most of the time, in fairly tight close-ups. Two different views of the office also were shown for variety. The format appears to date back, at least, to

last fall's CBS-TV series, "Presidential Countdown," in which Walter Cronkite visited busy politicians in their offices. The idea, I suppose, is to interview the fellow in a familiar setting, get him out of the hot seat atmosphere of a panel format, and thereby achieve a more relaxed, natural dialogue. It makes for a more interesting program.

But since it is virtually a foregone conclusion that the dialogue isn't going to break fresh ground, wouldn't it be better to have the star discuss his daily routine and take us on a tour of the office but then we'd be right back to "Person To Person," wouldn't we?

Studies Papers
Speaking of "Person To Person," Charles Collingwood, the "P-To-P" host, ran a special half-hour non-network program Thursday night, "WCBS-TV Views The Press." His topic: "Are the news papers of New York City doing their jobs?" He concluded that hard news in-being crowded out by non-news features, that they fail to dig up or follow-up big stories. Like with everything else, I guess, there's room for improvement.

There's no more Ford in Ford's future so Tennessee Ernie, the Fred Allen of the state fair circuit, said goodbye with Thursday night's NBC-TV half-hour.

Ernie tossed in a plug for G-M, avoided the usual barnyard gags and signed off with four inspirational songs. As always, the musical contributions stayed far ahead of the comedy efforts.

THE DESERT SUN Page 7

VACATION BIBLE SCHOOL students are leaving Palm Springs Community Church after their last class of the two-week school session, but they will take with them the word of Christ. Students pictured are, from left in front row, Jeff

Judd, Kandy Allen, Rhonda Kettmann and Debbie Bannister. From left in back row, Darlene Isbell, Jeff Angel, and James Rainbolt. In background is primary group teacher, Mrs. Stefan Smith. (Desert Sun Photo)

SUMMER BIBLE SCHOOL HAS GOOD ATTENDANCE

"Around the World With Christ" themed Vacation Bible School, held by Palm Springs Community Church June 12 through 23. From 9 to 12 daily, 200 students met in the church sanctuary, where pastor Dr. James Blackstone led a prayer and a student led the American and Christian flag salutes.

Students were divided into four

age groups: Beginners, supervised by Mrs. George Schroeder; Primary, supervised by Mrs. Stephan Smith; Junior, supervised by Mrs. Orville Fee; and Junior high, supervised by George Schroeder.

Through the two-week period, students were taught to spread the word of Christ to whomever they may meet in their travels, throughout life.

Along with worship services, religious community singing and the relating of Bible stories, the students engaged in arts and crafts and a play period each day when mothers arrived to serve refreshments.

Missionary project for the school was a mission in Mexico. Former Teen Angel Dianne Copass addressed the classes in regard to this charity and will transport proceeds to Mexico.

A total of 48 teachers donated their time and talents to this very worthwhile cause.

Holy Communion At St. Paul's

There will be a celebration of the Holy Communion at 9:30 a.m. Sunday in St. Paul's in the Desert Episcopal Church. The Rev. Dr. Fredrick A. Barnhill, will preach on the Independence Day theme, his subject being "Our Heritage of Freedom."

There will be a weekday celebration of the Holy Communion on Thursday, July 6 at 10 a.m.

COLLEGE OF Medical Evangelists, the Seventh-Day Adventist's multi-million dollar medical education center, is located at Loma Linda. The church gives considerable attention to the training of physicians, nurses, and medical technicians.

SEVENTH-DAY ADVENTIST TEACHINGS WORLDWIDE

Go ye into all the world, and preach the gospel to every creature. Christ's commission to His disciples is the commission to His church today. It is not enough for a man to accept Christ for himself and then sit back contentedly to wait for his heaven. Adventists feel. With that acceptance of Christ comes the sharing of a responsibility toward one's fellow men—a responsibility that has to do with the total betterment of man, not simply his spiritual restoration.

This is the commission Seventh-day Adventists seek to carry out, and today they work in behalf of mankind extends into 195 or the 203 countries of the earth.

The church also enters into a program of activity for the well-being of men right here at home. Where disaster strikes, there the Seventh-day Adventist will bend his back to bring relief, without regard for race, creed or nationality. He seeks to follow the example of the Man of Galilee, who went about doing good "and healing all manner of sickness."

The world is dotted with more than a hundred Adventist sanitariums and hospitals. A score or more of these are in the United States. In addition the church operates numerous clinics in areas where medical aid is not readily available.

Typical of the vigor with which the church approaches this phase of its world program are the medical launches of the Amazon and its tributaries. Ten such launches are currently operating there, providing help for thousands cut off from civilization.

Some 2,000,000 patients receive medical care annually through Adventist facilities. From more than 30 schools of nursing each year come approximately 500 graduate nurses with the word "service" etched in their hearts, as anyone who has ever been a patient at an Adventist hospital will readily testify.

Early in its history the church established a medical education

P. D. Churches Join Services For Two Months

By mutual agreement, Palm Desert Community and Hope Lutheran Church will hold combined worship services during July and August, it was announced today by Lutheran Pastor E. David Natwick.

To be held in the sanctuary of the Community Church, Mr. Natwick will be in charge of the 9:30 a.m. service.

"This Is Your Life" will be the sermon topic on Sunday, July 2, and is based on the Gospel of Matthew 6:24-34. Special music will be presented by Mrs. Paul Stillman.

LEGAL NOTICES

No. 129
ORDINANCE NO. 516
AN ORDINANCE OF THE CITY OF PALM SPRINGS, CALIFORNIA, ADDING A NEW SECTION TO THE 1961 EDITION OF THE UNIFORM BUILDING CODE, AS AMENDED BY SAID CITY, TO PROVIDE REGULATION OF MECHANICAL APPLIANCES ON ROOFS OF TOPS OF BUILDINGS IN C-1a, C-1b AND C-2 ZONE DISTRICTS AND TO CLARIFY THE MEANING OF THE GOVERNMENT CODE, AND GIVING REASONS THEREFOR.

SECTION 1. A new section 501(a) is hereby added to the 1961 edition of the Uniform Building Code, as amended by the City of Palm Springs, to read as follows:

501 (a) Buildings erected in C-1a, C-1b, or C-2 Zones, as defined in Division 9 of the Palm Springs Ordinance Code. In the above mentioned zones no mechanical equipment or duct work may be constructed to extend more than eighteen (18) inches above the roof line in the event the parapet wall is not required by the mechanical equipment or duct work shall be so placed that it cannot be seen by a person of ordinary vision standing at a distance of two hundred (200) feet from the building upon which the mechanical equipment or duct work is constructed.

SECTION 2. URGENCY. This ordinance is declared to be an urgency matter within the meaning of the Government Code Section 65097, for the reason that at the time of adoption of the 1961 edition of the Uniform Building Code, the City Council neglected to adopt the above provision, and such provision is necessary in order to properly control the construction of appliances on roof tops. By enacting the matter as an urgency ordinance, the City provides a uniformity in construction which is for the welfare of the City at large and for persons engaged in the construction business.

SECTION 3. EFFECTIVE DATE. This ordinance shall become effective immediately upon adoption.

SECTION 4. PUBLICATION. The City Clerk is hereby ordered and directed to certify to the passage of this ordinance and to cause the same to be published once in THE DESERT SUN, a daily newspaper of general circulation printed, published and circulated in the City of Palm Springs, California.

FRANK BOGERT
Mayor of Palm Springs, California

SHIRLEY HENRY
City Clerk of Palm Springs, California

The undersigned, City Clerk of the City of Palm Springs, California, hereby certify that the foregoing Ordinance, being Ordinance No. 516 of the City of Palm Springs, was adopted on the 26th day of June, 1961, after having been read in full and was duly adopted by the following vote: AYES: Councilmen McKinney, Paisley, Beebe, Kirk, Carlin and Mayor Bogert.

NOES: None
ABSENT: Councilman Strebe
I further certify that the said Ordinance was thereupon signed by F. BOGERT, Mayor of Palm Springs, and attested by SHIRLEY HENRY, City Clerk of said City.

WITNESS MY HAND AND SEAL OF SAID CITY THIS 27th day of June, 1961.
(SEAL)
SHIRLEY HENRY
City Clerk of the City of Palm Springs

I hereby certify that the foregoing Ordinance and Certificate were published July 1, 1961, in the Desert Sun, a newspaper of general circulation, printed, published and circulated in the City of Palm Springs, California.

SHIRLEY HENRY
City of Palm Springs
Published July 1, 1961.

PHONE 325-5005

REGULATIONS FOR CLASSIFIED ADVERTISING

- Every effort is made to eliminate false and misleading advertising. Any advertiser who is found to be guilty of such practices will be thoroughly investigated.
- In the event of error notify the Classified Department. Advertisers are expected to check the first insertion. We will not be responsible for any errors after the first day.
- All claims for adjustment or credit must be made within 10 days. Receipts must be presented for cash refunds.
- All ads cancelled before publication will be charged for one insertion.
- Read your ad carefully before placing it with ad taker. Due to mechanical operation it is impossible to correct or cancel your ad until it has appeared one time.
- All ads must be 3 lines or more.
- Address telephone and box numbers shall be charged as part of the advertisement.
- How to estimate number of lines: The cost of any advertisement may be determined by counting 10 letters and spaces per 1 point line when all capitals are used, count 20 letters and spaces to a line.
- Orders cancelled before expiration will be charged for the actual number of days the ad is run.
- Ads with Box Numbers will be charged 20 extra.
- Copy changes: Copy on 30-day orders may be changed 2 times weekly; on 7-day orders once weekly; on 3-day orders once on 4-day orders. Copy may not be changed except for minor corrections.
- Telephone orders will be accepted without payment from advertisers within our collection area, who are home owners or whose phone is listed in their own names. Payment for Situation Wanted ads and Real Estate Wanted ads is required in advance.
- All ads placed from hotels, trailers, parks, and motels must be paid in advance.
- The closing time for daily Desert Sun Classified Advertising is 3:30 p.m. of the preceding day. Transient, Non-Commercial advertising is accepted and placed under late to late to classify. Classified Department open 8:30 to 5:30 daily, Saturdays till noon.
- Borders, boxes, cut-in type and other arrangements must be made and possible in machine composition are not available.
- All classified display advertisements measure 8 lines per column inch.
- Ads for matrimonial offers, Fortune Telling, "Share the Ride" or Ads of similar nature are not accepted.
- No reference is permitted to any race, religion, color or creed in any advertising except to state a preference in ads for Domestic Help or ads placed by an established religious or charitable organization.

Dodgers Win Nets 2nd; Angels Prey On Sox

Dodgers Open 3 Game Set With 10-6 Onslaught

PHILADELPHIA (UPI) — The Los Angeles Dodgers are hoping to make it two in a row tonight against Philadelphia after overpowering the Phillies 10-6 in the three-game series opener Friday night.

The Dodgers tapped Don Drysdale (5-5) for pitching duties against John Buzhardt (2-9) for the Phillies.

In Friday night's action, the Dodgers hammered Philadelphia pitching for 15 hits, including a homer and three triples, for the victory.

Daryl Spencer hit a two-run homer for the Dodgers, Willie Davis batted in three runs with a pair of triples and Maury Wills had three singles as Los Angeles built up an 8-1 lead for starter Ken Williams at the expense of Jim Owens and Ken Lehman.

Surfeit of Riches

Williams, though the official winner, couldn't stand prosperity and was chased in the sixth when the Phillies rallied for five runs. Former Phillie Dick Farrell pitched the final four innings in relief.

Owens, who marked his comeback by winning his first of the season with six scoreless innings against the Giants Monday, gave up three runs in the third on a double by Spencer, a bunt single by Williams, a single by Wills and the first of Willie Davis' triples.

The Dodgers added three more in the fifth on a walk to Spencer, a single by Wills and another triple by Willie Davis which ended Owens. An error let Davis score the third run of the inning. Spencer homered off Lehman behind a single by Gil Hodges in the sixth to give Williams an 8-1 margin. But the Phillies routed him with a triple by Johnny Callison, a walk, a single by Tony Gonzalez and Frank Herrera's double. Farrell relieved and gave up a sacrifice fly and two singles before the side was out.

Dodgers Get 2 More

The Dodgers picked up their final two runs in the ninth on a single by Jim Gilliam, a triple by Wally Moon and Herrera's wild throw on the relay by Moon.

Willie Davis' pair of triples last night gave him 26 extra bases among his 57 safeties. He has swatted 10 homers, six triples and 10 doubles.

The Dodgers are still having trouble with their pitching staff. Only two starters have been able to go the route in the first 10 games of the present tour. This called for a total of 20 relief appearances for an average of two calls for help per game.

Bucs Grab 4-3 Win In 9th; Giants In 3rd

PITTSBURGH, Pa. (UPI) — The Pittsburgh Pirates appeared to be back in the old groove today—and the San Francisco Giants were back in third place.

Pittsburgh, which seemed to have a patent on come-from-behind victories last season when it won the world championship, rallied for two runs in the ninth Friday night to nip the Giants, 4-3.

Centerfielder Bill Virdon's single with runners on second and third and two out scored the winning tally. The two National League contenders meet again today in the second contest of a four-game series. They'll play a doubleheader Sunday.

Sanford vs. Friend

Jack Sanford (3-5) Giant right-hander, will oppose Bob Friend (8-8) in today's tilt. San Francisco is now three and one-half games behind league-leading Cincinnati, and one behind second-place Los Angeles.

Wonderous Willie Mays enjoyed another splendid game for the Giants Friday night, rapping a pair of doubles and scoring two runs in four trips to raise his batting average to .333, fourth in the league.

But Willie alone wasn't enough to overcome the Pirates' ninth-inning victory march.

Joe Christopher started the winning rally with a single off Giant starter and loser Mike McCormick. Pinchhitter Dick Schofield then bunted to Willie McCovey. McCovey booted the ball into right field but ran it down and threw to third in time to nab Christopher for the first out.

When Bill Mazeroski singled to center, Giant manager Alvin Dark lifted McCormick in favor of reliever Stu Miller. Bob Skinner grounded out, but the runners advanced to second and third. Virdon drilled the winning hit to right.

Ford Makes AL Record With 5-1 Win Over Salons

NEW YORK (UPI) — Southpaw Whitey Ford, a product of the streets of New York, joined baseball's "high society" today by moving into the same elite bracket with such Hall of Famers as Walter Johnson, Christy Mathewson and Grover Cleveland Alexander.

"There must be some mistake," grinned the 32-year-old Ford, who reeled off his eighth victory within a month and 14th of the season when he pitched the New York Yankees to a 5-1 triumph over the Washington Senators Friday night.

Ford's eight victories in June made him the first left-hander in American League history ever to accomplish the feat.

JAYCEES GOLF CHAMP Mike Riley, 16 year old San Diego youth who defends a second title today at Pebble Beach, won the state Jaycee with a 73-72-145 gross Thursday and Friday at Bermuda Dunes. (Desert Sun Photo)

RILEY TAKES JAYCEE STATE GOLF CROWN

BERMUDA DUNES — Tall, long-slender Mike Riley, 16 year old San Diego golfer who holds two state championships, won his second crown here Friday with a fifth hole playoff win in a three-way 145 gross tie in the 36 hole state Junior Chamber of Commerce tourney.

Riley, who fired a 73 Thursday, came back Friday with a 72 to tie Phil Torres, Alameda, and Dave Aiken, San Diego with a 145 gross. Torres and Aiken kept their tie record, winning berths in the Jaycees national tourney at Denver Aug. 19-26.

Jerry Hedding, San Bernardino, broke a 146 fourth slot tie with

Tigers, Indians, Reds, Cards, In Winning Games

BALTIMORE — The pace-setting Detroit Tigers, who beat the Baltimore Orioles, 6-5, in 12 innings. Other AL action saw the Cleveland Indians defeat the Boston Red Sox, 10-2, and the Minnesota twins downed the Kansas City Athletics, 8-2.

The Cincinnati Reds maintained their 2½ game lead in the National League with a 4-0 victory over the Milwaukee Braves, and the St. Louis Cardinals trounced the Chicago Cubs, 11-4, in the NL.

The Tigers, who jumped to a 4-0 lead and then dissipated it, won their game with the Orioles when pinch hitter Charley Max-well singled home Steve Boras from second base in the 12th.

Gary Bell won his fifth game for the Indians by stopping the Red Sox on six hits and striking out eight. Cleveland collected nine of its 3 hits off loser Billy Muffett. Mike de la Hoz hit a three-run homer.

Joey Jay of the Reds was credited with his 10th victory although Bill Henry relieved him in the ninth when the Braves put two men on base.

Jim Schaffer's first major league homer, a grand slam, paced the Cards to their win over the Cubs. Jerry Kindall and Billy Williams homered for the Cubs.

McBride Rallies To Set 10-3 Win

LOS ANGELES (UPI) — The Los Angeles Angels, with bad boy Eli Grba at the controls, seek to put the once hot Chicago White Sox deeper in the deep freeze tonight as they go after their second consecutive diamond win.

Grba, who has dropped his only outing this season against the Sox, faces one of Chicago's aces—the veteran Early Wynn, who goes into the contest with the club's second best mark of the season. He's 5 and 1. While Grba, who was a passenger in team mate Ronnie Kline's car when the latter was brought up short by the police Thursday night for imbibing over — enthusiastically, goes into the fray with a 5-7 mark.

Angel Manager Bill Rigney hopes that Grba can repeat the go-the-distance performance of Friday night's starter, and win

Route Wasn't Easy

Although fast throwing McBride went the route, he came close to getting the exit sign in the third when he gave up a two-run homer to Jungle Jim Landis.

"If he had given up one more hit, he was through," Rigney said. "He just didn't seem to have it in the early innings. Then all of a sudden he came around — he found his target and his curve began breaking beautifully."

And as McBride found the mark in the third inning, so did the Angel batters. It was the bottom of the third when the Los Angeles club went ahead on the scoring double of rookie George Thomas — his first major league hit.

From there on in, it was all Los Angeles as Ken Hunt took batting honors with two first-pitch leftie homers, for a total of three runs batted in. He got a big assist from Thomas, who also had three RBIs, and another rookie, Joe Koppe who drove two across the plate. The Angels iced the Sox for keeps in the seventh when they scored four times on five hits, including a leadoff double by McBride.

McKinley On In Wimbledon Set

WIMBLEDON, England (UPI) — Chuck McKinley of St. Ann, Mo., one of the two remaining American men in the Wimbledon Tennis Tournament, advanced to the quarterfinal round today with an 8-6, 6-1, 7-5 victory over Warren Jacques of Australia.

Chris Crawford of Piedmont, Calif., immediately afterward squared off against Ivo Pimentel of Venezuela in another fourth round match on the same No. 1 court.

One of the three United States women was eliminated in the fourth round of her division when little Mimi Arnold of Santa Rosa, Calif., lost to Vera Sukova of Czechoslovakia, 7-5, 6-2.

Both the men's and women's singles divisions were due to be reduced to eight survivors by tonight.

Minors Beat Majors In Donkeyback Ball

The Minor League managers beat the Major League managers in a very ragged donkey baseball game at the Polo Grounds last night.

The contest was held as a benefit for the Palm Springs Little League. Several hundred fans turned out for the event, which also featured a number of door prizes to Little League players.

Four Seek State Amateur Crown

PEBBLE BEACH (UPI) — Three men and a boy tied off in the semi-finals of the 50th annual California State Amateur Golf Tournament today—with all the old favorites watching from the sidelines.

Today's 36-hole schedule: Jack Lotz, 20-year-old San Jose State student from San Lorenzo, vs. Dr. Art Butler, a 30-year-old physicist from Glendora.

Ed Castagnetto, 48-year-old roofing contractor from San Francisco, vs. John Richardson, 40-year-old former USC hockey player from Long Beach.

15 Year Olds Meet

BURLINGAME (UPI) — The spotlight focuses on two 15-year-old girls in the National Junior Hardcourt Tennis Tournament.

Unseeded Jean Danilovich, of Jackson, will meet Jane Albert, of Carmel.

SPORTS in the Sun

Page 10 THE DESERT SUN Saturday, July 1, 1961

3 PACE BUICK THIRD; 2 LEAD WOMEN'S SET

GRAND BLANC, Mich. (UPI) — They were chasing the trio of Billy Casper Jr., Johnny Pott and Dave Ragan today in the third round of the \$52,000 Buick Open.

Each of the three is seeking his first tournament win of the year and each is determined to make the break-through in this rich event which carries first place money of \$9,000 plus a \$1,000 bonus for film rights.

Casper, the 1958 Buick Open champion from Apple Valley, Calif., and Pott, a former Louisiana State University golf star, fired four-under-par 68's Friday to go with even par first rounds for 40 totals after 36 holes.

Ragan, of Orlando, Fla., had a 69 after a 71 on his first tour of the 7,280-yard Warwick Hills course.

At Springfield, N.J., three amateurs were among the top 10 as JoAnn Prentice of Birmingham, Ala., with Ruth Jensen of Seattle carried a two-shot lead into today's two final rounds of the wide

open U.S. Women's Open golf championship.

The pert Miss Prentice, who has never won a tournament in six years on the women's pro tour, clung to a share of the lead for the second straight day as she fired a 76 in the second round for a 148 total.

Joining her there as the low 41 went into the final two rounds at Baltusrol Golf Club was the sturdy built Miss Jensen, winner of this year's Peach Blossom Festival. Miss Jensen shot a 73 to bounce into a tie for the top spot.

But breathing down their necks — two slender shots back at 150 — came Betsy Rawls, the four-time winner from Spartanburg, S. C., who enhanced her chances of a record fifth win as she carded a 76.

PS Lanes Starts Moonlite Kegling

Palm Springs area keglers will start rolling them from the dark toward light pins at 9 p.m. Sunday, when Palm Springs Lanes inaugurates its Moonlite Bowling.

"Moonlite" bowling is done with most overhead building lights out, and with the pin box areas lighted, manager Fred Scarms announced. The action will begin at 9 p.m. each Sunday, continue through the evening.

Prizes will be awarded bowlers who score strikes on colored pins. Free bowling games, up to 100 for ladies, and 50 for men, dinners, and other gifts are offered in the promotion, Scarms said.
